

FLEXI

Flexi 17 - NCS 1000

Flex LITE designed to allow safe, fast and efficient unloading of semi trailers and ISO containers combined with very narrow aisle (VNA) pallet storage. This dedicated model is light enough to work in any vehicle or container unloading application and then stack up to 236" (6m) in a 72" (1.8m) aisle

Lift Heights to 10 Metres

Designed to bring Flexi articulated space-saving and handling efficiency to users of all popular pallet types

Stacking Performance

True radius 1200mm wide chassis and "Artic" over rotate feature allows safe, fast pallet put away, block stacking and drive min rack operation

Low Triplex Mast

Lift masts are standard triplex full free lift, to suit most operating conditions including low doors and pallet rack bridge bays

**Full 3750 lbs (1700 kgs)
lift capacity**

Proven Quality, Safety and Reliability

The Digital Range

The Digital Range of articulated fork trucks has been developed specifically to improve storage and handling

Integrated Sideshift

All Flexi's are supplied with a high quality integrated sideshifting fork carriage to promote efficient and safe stacking.

Forward-Facing Seat

Comfortable and high-quality adjustable full-suspension seat with operators lumbar support, reduces fatigue and improves productivity.

Fixed "Clear Vision" Mast

Operators have excellent forward visibility thanks to our triplex free lift mast, with its side mounted lift cylinders. Safe productive forward pallet pick up and set down.

Front Wheel Drive

Proven safe traction-laden or unladen in all operating conditions. Tough elastic rubber tires all round allow operation on all warehouse floors. No tyre scrubbing, with full differential drive on both wheels when turning.

HiVIS Overhead Guard

The unique Flexi 'HiVIS' Twin Post™ overhead guard combines maximum visibility and complete overhead and roll over protection for the operator. With no front 'posts' to obscure operators vision when stacking.

Easy Battery Access

Fast and safe battery access and changing. Low lift off, fork pockets. Easy battery inspection and topping. No motors, brakes or pumps hidden underneath.

Unique Flexi 220° Over Rotation

More stacking clearance along every aisle. Compact axle designs maximise aisle clearances. Flexi is the proven 'no damage - fast turn' solution.
